6. (Secret - GLC) Met with Bill Woodruff, on the staff of the Senate Appropriations Committee, and briefed him on several recent developments including SA-3's in Egypt, the Communist campaign in Laos, and an item on Soviet Y-class submarines. At lunch Woodruff and I covered a number of other topics (see Memorandum for the Record for details).

7. (Secret - GLC) I happened to be in the office of J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, when Yuri Krotkov also dropped by and Sourwine introduced us. Krotkov was pleasant and there was no discussion of his activities, nor was any Agency business discussed in his presence.

8. (Unclassified - GLC) Received a call from the Library of Congress asking if the Agency had any unclassified information on political prisoners in the various foreign countries. I said I thought any information we might have would be classified and suggested that the requester contact the Department of State.

9. (Secret - JGO) Met with Mr. Arthur Kuhl, Senate Foreign Relations Committee staff, and agreed with him on the various administrative arrangements for the Director's appearance before the Gore Subcommittee at 3:00 p.m. on Wednesday, 15 April, in room S-116 of the Capitol.

I discussed with Mr. Kuhl the destruction of excess copies of Committee transcripts which are held by the Agency for safekeeping. Mr. Kuhl agreed that retention of a single copy of each transcript is sufficient for Committee needs.

10. (Internal Use Only - JGO) Received a call from Miss Judy Spahr, Senate Subcommittee on National Security and International Operations, who requested foreign commentary relating to the SALT talks and the Brooke's resolution concerning limitation on MIRV testing. The Subcommittee will be placed on distribution for [   ] Soviet STATSPEC and East European reports and will be provided back copies of the
STATSPEC   report to 6 April. [   ] has been advised.
